

I support media diversity

I am writing to you today to comment on Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules.

Please do everything in your power to prevent further consolidation of the news media. As it is right now, I seldom watch TV, and am reading fewer and fewer newspapers. Everything I read or see in the media seems to be a washed-out version of the truth.

Soon, if there are more people like me, newspapers will be going out of business for lack of readership. Usually, readers are thinkers -and the more I think, the less I want to read most of our newspapers. We get a much better story from out-of-country media.

As a strong American patriot, and one who wants to know the truth, I oppose any further consolidation of media ownership.

Thank you,

Peggy Midling
